Department of Inland Water Transport

Mormugao Port Trust

Notification

2-GA(3)/Amend-Regs/89

In exercise of the powers conferred by Clauses (f), (g) and (k) of Section 123, read with Section 124 of the Major Port Trusts Act, 1963 (38 of 1963), the Board of Trustees for the Mormugao Port Trust hereby make the following Regulations further to amend the Mormugao Port (Shipment of Ore and Pellets from Mechanical Ore Handling Plant at Berth No. 9 and related matters) Regulations, 1979, viz:

1. *Short title:* (i) These Regulations may be called the Mormugao Port (Shipment of Ore and Pellets from Mechanical Ore Handling Plant at Berth No. 9 and related matters) (Amendment) Regulations, 1989.

(ii) They shall come into force from the date the approval of the Central Government is published in the Official Gazette.

2. (A) *Amendment to Regulation 3.5:* Substitute the existing Regulation 3.5 by the following:

3.5: Every exporter allotted a plot in MOHP shall execute an agreement with the Board in respect of the storage plot. Such agreement shall generally be drawn for a period of one year.

(B) *Amendment to Regulation 3.6:* Substitute the existing Regulation 3.6 by the following:

3.6: On the coming into force of these Regulations and thereafter immediately proceeding the expiry of each one year period the Board shall publish in the leading local newspapers notice calling for applications from interested parties for allotment of storage plots for the following period. The Board may stipulate the minimum tonnage turnover of shipment of ore/pellets through each plot, to qualify for allotment of that plot. Applications for allotment of plots shall be made within the date prescribed in the notice. Every such application shall be required to state the type of ore/pellets for which the plot is desired and to certify the quantity of ore/pellets exported by the applicant through the Port during the last 12 months before such application is made and the quantity of ore/pellets for which export contracts are held by him. The performance during the year and the contract for export for the subsequent year/years supported by documents shall be the basis for determining the "export potential" for the applicant.

(C) *Amendment to the Regulation 3.8:* Substitute the existing Regulation 3.8 by the following:

3.8: (1) If after satisfying the requirement of existing plot holders who are eligible for plot allotment for the

subsequent year, the applications of the new exporters who did not have plot earlier will be considered and available plots allotted according to their export potential which will be determined on the basis of export contracts held by each of them.

- (ii) On expiry of each allotment period, every exporter then holding the storage plot shall have option to have the allotment renewed for a further period of one year, provided he has fulfilled the terms of agreement that expired and further provided that he proves to the satisfaction of the Board, he has sufficient export potential to qualify for allotment.
